# Sign Up for NNEC's Levelized Payment Plan Today!

Would your monthly budget be easier to keep on track with the stability of NNEC's levelized payment plan? By spreading out your energy costs over the year, you pay close to the same amount on your power bill each month. Imagine the ease you'll enjoy when planning your budget without worrying about drastic changes in your bill, even in the very cold of winter or hot months of summer. When levelizing the amount over the year, you pay for slightly more power than is actually used during milder weather. During the winter and summer months you pay for slightly less power than you are using.

It's a FREE service and here's how it works. Each month, NNEC will average your actual billing for the current month with the previous 11 months. Your bill will vary slightly from month to month, but this "rolling average" evens out extreme highs and lows.

You'll continue to receive a monthly bill. The bill will show your kilowatt-hour consumption and the levelized bill amount that is due. It must be paid just the same as a regular bill — on or before the late payment date.

Balance out your life — or at least one small part of it — by signing up for levelized payments today. Simply fill out the coupon below and return it with your electric service payment, or call us at 1-800-243-2860 or 333-3621.

\*You must have been a NNEC customer for the past 12 months to sign up for this program. The account must have a \$0 balance at sign-up and have and maintain a satisfactory credit rating with the Cooperative. The Cooperative reserves the right to remove any account from the plan that does not pay the amount due on or before the late-payment penalty application date. Levelized bill payments are determined for your particular residence and are not transferable. When service is terminated at one location, we close the levelized bill account and render a final bill.

## Levelized Payment Plan

Available to Residential and Seasonal Residential accounts ONLY

I hereby make application for the Levelized Payment Plan:

Member Name as it appears on the bill: \_\_\_\_\_

Service Address: \_\_\_\_\_

Billing Address (if different): \_\_\_\_\_

Telephone Number at Service Location: \_\_\_\_\_

Account # of account(s) to be included in the program: \_\_\_\_\_

Member Signature: \_\_\_\_\_ Date: \_\_\_\_\_
